

The city hall of the Cameroonian capital, Yaoundé, will host the 3rd International Agro-Food Fair from April 21-27, 2015. The event is being held under the auspices of the Ministry of Industry. Cameroon's grand agro-food event will include an exhibit fair, conferences, B-to-B meetings, a packaging and standards workshop and a competition for the best agro-food processing project.

Agro-food sector subcontractors, processing industries, financial institutions, energy sector companies, agricultural producers, trading companies, university and professional private and public college students will be in attendance.
